Re: Revised Timeframe for Receipt of Transitional Surety, Resource Design Solutions, Inc.,  
RDS 502, M/023/067, Juab County, Utah

Dear Mr. Finnegan:

On May 8, 2001, we sent a certified Notice of Non-Compliance and a Directive to cease mining operations to Mr. Joe Dunlop, of Resource Design Solutions, Inc. Mr. Dunlop has since left RDS, Inc. and you have assumed Mr. Dunlop's position acting on behalf of the company. Under mitigation item #3 of the May 8<sup>th</sup> letter, RDS, Inc. was directed to post a \$33,250 *Transitional Surety* with the Division within 30 days of its receipt of the notice. As directed, RDS, Inc. has temporarily ceased mining operations, submitted a large mine permit application and has been trying to acquire the reclamation surety to date. The 60-day timeframe for receipt of the transitional surety has passed.

On May 10, 2001, the Bureau of Land Management (BLM) also sent RDS, Inc. a Noncompliance Order with similar mitigation requirements. A 60-day timeframe (*July 14, 2001*) for receipt of their informational requirements was granted. The Division will extend the timeframe for filing the \$33,250 transitional surety to coincide with the BLM's July 14<sup>th</sup> 2001 deadline.

If you have not already done so, please contact Joelle Burns at (801) 538-5291 for the appropriate transitional surety forms. Please call me at (801) 538-5286, or Tom Munson at (801) 538-5321 if you have any questions in this regard.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Reclamation Program
